# THE 2015 AMMCS-CAIMS CONGRESS

Interdisciplinary AMMCS Conference Series  
Waterloo, Ontario, Canada | June 7–12, 2015

We look forward to welcoming you in 2015 at an exciting international event combining the AMMCS and CAIMS meetings.

The AMMCS Conference Series aims at promoting interdisciplinary research and collaboration involving mathematical and computational sciences, highlighting recent advances in Applied Mathematics, Modeling and Computational Science (AMMCS).

The Canadian Applied and Industrial Mathematics Society • Société Canadienne de Mathématiques Appliquées et Industrielles (CAIMS•SCMAI) has a growing presence in industrial, mathematical, scientific and technological circles within and outside of Canada. CAIMS•SCMAI is a member society of the International Council for Industrial and Applied Mathematics, which hosts the prestigious ICIAM Congresses every four years.
